Frangelico
liqueur

Hazelnut is the heart of Frangelico. For three centuries ago, in a little town named in the north land of the Alps, the monks of the Grand Monastery of Val d'Aosta, with their knowledge of the secret, created a unique liqueur.

Did you know that Frangelico is the only liqueur in the world that is made with hazelnut liqueur?

The most precious one of all was a liqueur made from wild hazelnut liqueur, the liqueur of the monks of the Grand Monastery of Val d'Aosta.

memorable cocktails!
